Hello & welcome to our last RWD assignment!

Everything works as intended and we all implemented one little extra thing :D.

DANIEL: Whenever you catch (hover) the butterfly, the counter goes up by 1. Also, when you catch apples, you get 2 points.

MATAS: Twitter is flying around. Cancel (click) it & get over a million points!

DRAGOS: Whenever you water the grass, it will grow.

LAURA: The butterfly is now a lovely little gif! And she flips depending on which direction she's going :)

Source for the gif: https://www.deviantart.com/ngochan192/art/Butterfly-Gif-804068978

If anything is not working or is behaving oddly, refreshing the page should fix it.

If you zoom in, out, or resize your browser window, make sure to refresh too!

Thank you! 😊
